

TEXAS CLASSICAL ASSOCIATION  
Scholarships for Students, Student-Teachers, Teachers and Professors

The Texas Classical Association is proud to announce the call for applications for seven scholarships:

**The TCA Professional Scholarship**

All teachers and professors are encouraged to apply for the \$500 TCA Professional Scholarship. This scholarship is intended to support projects undertaken by members of the association who have at least two years of full-time classroom teaching experience in classical languages or cultures.

Stress is placed on the contribution of the project to the applicant's future skills as a classics teacher.

The applicant must have been an active TCA member for at least two years. The scholarship must be used within one calendar year from receipt. In addition, a report of the recipient's activities or project will be made at the next TCA fall meeting following completion. Recipients will be eligible to reapply after five years.
